INTRODUCTION

OPERATIONS HANDBOOK

- The Board will produce an Operations Handbook which will contain general information for club administrators.
- The Operations Handbook will be produced annually and disseminated to clubs prior to the first game of the season.
- The Operations Handbook shall act as a supplement to the BLGFA Constitution & By Laws.
- Information contained in the Operations Handbook will be deemed official instructions from the BLGFA.

This edition of the Handbook includes administrative information and Association By-Laws and is prepared as an aid to Club Administrators and Officials.

It is important that this document is read in conjunction with the Regulations of the SA Community Football League and the Constitution of the BAROSSA, LIGHT AND GAWLER FOOTBALL ASSOCIATION Inc.

It should be read **as a supplement** to the BL&G FA Inc Constitution and not as a replacement.

It endeavours to be informative and put in more simple terms some of the major processes and procedures faced by the administrator, particularly for those at the beginning of their involvement with their Club.

As is expected, our Association Clubs make various decisions to add or alter rules and some subjects are revised or added and so constant updating is necessary.

(To avoid confusion the previous years' handbook must be destroyed.)

Clubs are encouraged to photocopy all or parts of this document and distribute the information as necessary for their own internal administrations.

I trust you will find it helpful and that it makes your job easier. If you have any questions, please do not hesitate to contact me. Subject suggestions for future editions are always appreciated.

Wishing you all a very successful season.

BL&GFA STRATEGIC PLAN

ENVIRONMENT

The Barossa Light and Gawler Football Association (BL&GFA) is a dynamic body representing the Australian Rules Football playing public and Stake holders within the declared boundary of the BL&GFA, in respect of Australia's number one football code.

Football in the region was initially of two association Barossa and Light (B&L) and Gawler and District Football Association.

In 1986, three of the clubs from G&D, Gawler Centrals, South Gawler and Willaston, applied and were accepted into the existing B&L. With clubs from the then Barossa and Light Association endorsing the Gawler District Association Clubs application, a new league was formed, called the Barossa Light and Gawler Football Association (BL&GFA).

The Association comprises 9 affiliated clubs, Angaston, Barossa District, Freeling, Gawler Centrals, Kapunda, Nuriootpa Rover, South Gawler, Tanunda and Willaston.

Each club fields 2 senior grades, 1 x U17.5 grade, 1 x U15 grade and 1 x U13 grade. Each club also provides primary school aged boys and girls with a junior football competition consisting of one or more teams in the Under 9, and Under 11. This is achieved through the activities of the Associations' endorsed Junior Management Committee (JMC).

Further, the BLGFA also provides a female football competition for girls and women, currently in Under 10, Under 13, Under 16 and Senior grades. This is coordinated by the BLGFA endorsed, Barossa Light and Gawler Women's committee (BLGW).

STRUCTURE

The BL&GFA is made up of the above-mentioned affiliated clubs and stakeholders throughout the Barossa Light and Gawler declared boundary as prescribed within the Constitution.

The BL&GFA has a Board of Directors elected in accordance with the Constitution by the Affiliated Member Clubs.

The Board consists of:

- President
- Vice President (1 of the Directors)
- 4 Directors (voting members). **Voted at AGM 2023 to increase to min of 4 & maximum of 6 Directors.**

The Board of Directors is responsible for:

- Strategic Direction
- Corporate Governance
- Application of the Constitution & Financial Management
- Administration of the Association
- Overall performance of the Association

The BL&GFA Board of Directors are responsible for the day to day operations of the Association and are assisted in these duties by **the following non-voting members, SANFL Football Operations Coordinator, BL&GFA Secretary, BL&GFA Registrations and Transfers Officer and the BL&GFA JMC and BLGW committees.**

The Committees of the various affiliated clubs are responsible for effectively controlling their individual club to provide the best possible environment with which to assist the BLGFA to achieve their vision, mission and objectives.

The BL&GFA values a strong relationship with the Central Districts Football Club (CDFC), as the major football entity within SANFL Central Zone.

The BL&GFA also values mutually collaborative relationships with other Country Leagues and Associations throughout South Australia.

MISSION

To manage and maintain the Barossa, Light and Gawler Football Association Inc. to ensure it is the most successful country football Association in South Australia, for the benefit of our stakeholders – our affiliated Clubs, players and the football public.

VISION

To be the pre-eminent Football Association in Country - South Australia.

OBJECTIVES

The BL&G Association aims to:

- foster efficient and effective Development Programs to ensure the future strength of our Association and provide a pathway for our young men and women to the SANFL and AFL.
- promote the game of Australian Rules Football at all levels in a proactive manner to ensure the future viability of the Association.
- engender increasing support and provide healthy, high standard sporting entertainment for both men and women.

(No hard copy registration form is required to be completed) In 99% of new registrations, this will occur when first registering with your club at the U/9 level. From then on, the player will seasonally reregister with the club via the player roll over process.

- A transfer form cannot be lodged before February 1st and after 30th June in the year in which the application is made.
- An application for transfer shall be accepted or refused within six (6) calendar days.

- BLGFA By Law 6.5 applies when a player is (a) seeking a transfer from one BLGFA club to another BLGFA club or (b) a player returning to BLGFA from another affiliated league (including SANFL/AFL) but not returning to his former BLGFA club.
- A copy of the player’s contract may be requested by Registration/Transfer Officer when an application is refused on the basis of a “Contractual Obligation”
- A player who wishes to withdraw his application for transfer, must complete the PLAYER WITHDRAWAL of TRANSFER form. (Appendix 18)
- A player who is contracted to a State League Club (e.g. SANFL, VFL etc) must obtain permission from that club before he can play for a local club, (including pre season trial games) breaches of this process, incur heavy penalties.

If a player currently resides in the area using the old BLGFA Import Boundary (Refer Appendix 3(a) for map) with a consented guardian, they are not counted into the transfer limit of 3.

Notes

Means a written agreement between a person and the club under which that person agrees to provide his services as a football player to that club for a fixed term on an AFFILIATED LEAGUES PLAYING CONTRACT in a form approved by the SACFL from time to time. (Appendix 2)

Financial Indebtedness

Applies to subscriptions owing by a player for the previous season.

(Refer to guidelines notes (Appendix 3) re transfers/registrations within the BLG.)

RIGHTS AND AVENUES OF APPEAL ON TRANSFERS

Where a Transfer is 'refused' there are three bodies to which an appeal is made depending upon the circumstances of the application:

(a) Two Clubs within the BL&G

1. The Club submitting an appeal must write to the Secretary, together with a copy for the other Club involved, stating the reasons and just cause for the appeal. A fee of \$100-00 must be lodged. (The original transfer application must have been refused on two (2) occasions.)
2. The Secretary **will pass on the appeal to be actioned by the SANFL Football Operations Coordinator**. Within 24 hours of receiving the appeal and after talking to all parties involved (the relevant Clubs and the Association Directors), **the FOC** must set a time and date for a hearing of the appeal within 14 days of receiving the appeal. At the same time the **FOC** must request to receive, in writing, from the other Club involved their reasons why the transfer was refused. The response to be received by the **FOC**, no later than 4 days after the verbal communication.
3. When the **FOC** has received written evidence from the other Club involved, the **FOC** must within 24 hours forward the evidence of both Clubs to the Clubs in question and to the Board of Directors. The Clubs cannot submit any more written evidence.
4. For Appeals to be heard fully, with ALL evidence presented and any questions answered, it is strongly recommended that the player involved attend the hearing.
5. Procedure at the hearing: -
 - a) Directors assesses the evidence and discusses the case.
 - b) The Club submitting the appeal presents its case and then withdraws.
 - c) The Club refusing the transfer presents its case and then withdraws.
 - d) Directors then continue discussion of the case.
 - e) Both Clubs re-enter together to answer any questions and / or cross-examination then withdraw.

WHEN A PLAYER DOES NOT ATTEND TRIBUNAL HEARINGS

Wherever possible, the FOC & Secretary BLGFA should be notified of a player's non attendance by 6pm on the 2nd day following the match.

In the circumstances where a player cannot or does not attend a hearing, the Tribunal may decide not to proceed unless a Club advocate pleads on the player's behalf.

If the plea is 'Guilty,' the case will proceed.

If a plea of 'Not Guilty' is made then the Tribunal may adjourn the hearing until the player is able to attend or it may be seen to deny the player "NATURAL JUSTICE". In this case, the player is not eligible to play until the charge against him has been dealt with. The charge stays 'live'. Even if the player 'retires' he can hold no official position within a Club anywhere, until the matter has been resolved. Therefore, in ALL cases each Club should make it mandatory that the player attends the hearing unless a 'Guilty' plea is intended.

RIGHTS OF APPEAL TO TRIBUNAL DECISIONS

The SANFL does not support a League having a right of appeal for Tribunal decisions, either against the conviction or penalty. It can undermine the role and integrity of the Tribunal and can be an endless process. It places enormous pressure on the Commissioners who must decide what is fresh evidence that could not reasonably have been presented at the first hearing, remembering that the player has the right to seek an adjournment if he believes other evidence can be produced.

The SA Community Football League allows for any suspension in excess of six or more games to be appealed against. These appeals must be made on the official SACFL Notice of Appeal Form forwarded through **the FOC & Secretary** BLGFA who will forward it to the SACFL Investigation Committee. (SACFL Regulation 11) The appeal must be accompanied by a fee of \$4,000.00.

USE OF VIDEO EVIDENCE AT TRIBUNALS

In 1986 the Commissioners discussed the use of videos at Tribunal Hearings and agreed on the following:

1. Players must be given every opportunity to present any evidence, which will assist the Commissioners to determine the case.
2. Clubs defending Reports, based on video evidence, must ensure that the evidence being presented is in an un-edited format and shows the actual incident in a clear and conclusive manner.
3. To save time at a hearing, the Commissioners will only accept videos where the equipment, provided by the Club involved has been previously set-up and the tape set to depict the actual incident concerned. Equipment must be capable of slow frame-by frame and freeze viewing. No sound will be allowed.

Timeline for the use of video evidence

BLGFA Officials, wishing to lodge a complaint **using video evidence**, must deliver their written complaint **(Form No. 9)** together with the unedited video evidence to be with the **FOC & Secretary** BLGFA **by 48hours** from 6pm on the match day.

The **FOC** to **inform the Club involved of the report laid as soon as possible after receiving the report and by no later than 9pm on the day following** advice of the report and arrange with the Club **a suitable time to view the video evidence presented.**

The **FOC** is responsible to provide **written notification** of the charge, hearing details and any other relevant information to the Club or Clubs involved.

When such instances occur, the process shall be for the umpire to go over to the offending team huddle and advise the coach that if the players have not made a move towards their positions by the time the umpire reaches the centre circle, the game shall commence.

SPECTATORS INSIDE BOUNDARY FENCE PERIMETER

Club administrators have a duty of care to ensure that spectators do not sit on the inside of the boundary fence (and in particular the use of deck chairs) as this places a player's safety in question. Although Field Umpires have the right to 'stop/start' play when they observe this type of infringement, it is really up to club administrators to ensure that spectators do not encroach over the fence line whilst a match is in progress.

MEMBER AND SPECTATOR BEHAVIOUR

It is the responsibility of the clubs to ensure that their members, officials and spectators are behaving in a socially acceptable manner. There is an expectation that all club officials take quick action to prevent offensive and disrespectful behaviour exhibited by their members, players and spectators from continuing.

The host club also has a responsibility to ensure that they provide a safe environment for the community, where people are valued and respected. Where poor behaviour of individuals is identified, officials of the host club must promptly take all necessary steps to prevent it from continuing.

Where unacceptable behaviour has been displayed by players, officials and spectators, and it is shown that the officials of the host club, (and/or the club of which the offending individuals are members belong), upon being made aware of the behaviour, have failed to act according to this policy, the Board may investigate the circumstances and impose an appropriate penalty on the club(s) responsible.

INABILITY TO FIELD A FULL SIDE IN COLTS & RESERVES GAMES

Where a Club is unable to field a full complement of 18 players in either the U13, U15, U17.5 or the Reserves grades the BL&G require that both sides must begin the game with the same number of players on the ground.

The procedure is as follows:

- 1) The Club with the depleted numbers is to make a courtesy contact with the opposing side as early as possible (say Thursday evening or Friday morning NOT Saturday morning) for mutual discussion and come to some agreement within the following Rules and for the best interests of football and sportsmanship rather than selfish interests.
- 2) Both teams are to field the same number of players for which 14 per team is a minimum and 18 the maximum. Determine which of the following is best for both parties: -
 - (a) The side low in numbers "borrow" some players from the opposition to field a full team, or
 - (b) The side with excess numbers fields the same number as the opposition and have the remainder on interchange.

The object is to have as even a game as possible in the circumstances to enable as many players as possible to take to the field to avoid player frustration, which causes undesirable facets of the game to emerge.

- 3) Where a team has 18 or less players (Team A), all available players should take to the field. If a coach of such team chooses not to field all available players and insists on having players on the bench, the opposition team (Team B) are entitled to play as many players on the field as the total number of available players of Team A (including the number on the bench).
- 4) An exception to the above rule is where Team A has brought into their side players who have played 3 or more quarters of the previous game in the lower grade. In this circumstance, Team B must equalise numbers on the field when those players are on the bench.
- 5) If Team A suffers an injury after previously playing all available players on the field, the coach of Team B is NOT obliged to remove a player to continue to balance numbers, however, in the spirit of fair play, the coach of Team B is encouraged to do so when the injury appears genuine and significant.
- 6) Where players are brought into the side from a lower grade, those players are to be clearly identified on the team sheet.

SECTION 5 POLICIES / GUIDELINES / DETERMINATIONS

PERFORMANCE ENHANCING DRUGS POLICY

(Refer Appendix 16)

PLAYER/OFFICIAL DEREGISTRATION POLICY

(Refer Appendix 17)

CHILD SAFE ENVIRONMENT

Member Protection Policy

Each club (& the association) shall have in place their Member Protection Policy. This document is aimed at providing informed decision making and responsible behaviours to support all members of your club. All members of a club should be aware of and have access to this document.

Child Safety Officer. (Club)

Each club shall have a nominated Child Safety Officer who will be the first point of contact at club level. The role generally involves promoting awareness of the club's policy on Child Safety, clarifying procedures and ensuring criminal history assessments are completed by those required to do so.

Criminal History Assessments

- Each club has a duty of care to reasonable steps to protect children from harm. (A child is described as being under 18)
- Choosing volunteers who are suitable to work with children is part of fulfilling this duty.
- Please note that all under age coaches, assistant coaches, team managers, trainers and any other Match Day Official who may be in contact with the children must undertake a police check. There are number of exemptions to this rule but to save any confusion, we need to have each of these people police checked.
- Please refer to the steps outlined in Appendix 10, Safeguarding Children & Young People's Club Procedure.

CDFC UNDER AGE PLAYER POLICY

Now that the CDFC underage training is on Mondays and Wednesdays, CDFC listed players are being encouraged to train with their originating club for up to an hour on a Thursday night. This will be beneficial to the player retaining their ties with their originating club, whilst giving them more fitness and skills training. This is not compulsory, just encouraged.

Secondly, on weekends of CDFC programmed byes, and subject to CDFC giving permission, the BLGFA players are permitted to return to play for their originating Club. However, the CDFC may revoke this permission depending on circumstances such as injury, work load or any other factor relating to the well-being of the player.

And lastly, with respect to players participating in the SANFL Championships Carnival, the current rule is that these players will not play for their club side in the preceding weekend, however the CDFC understand that in some cases, this could significantly impact the ability of Clubs to field an Under Age team. Therefore, any Club that feels that they need the player(s) to play for their club, can contact the CDFC development manager, Scott Stevens to discuss the situation and permission may be granted in exceptional circumstances.

HOT WEATHER GUIDELINES

(Provided that a duty of care is applied at all times, the use of these modifications may be used at the discretion of the two clubs competing on the day and that it be applicable to all senior grade matches.)

(May be applied at pre-season matches, home and away and finals series)

Modifications to match conditions may be applied when the estimated temperature of the day of the match is forecasted at 32 degrees or above. (Club Administrators are to tune in to a radio station (ABC 891 is suggested) at 8am on match day to ascertain forecast)

The Home Match Administrator will be responsible to initiate the following process:

- Advise umpires of the process
- Advise visiting club
- Advise the timekeepers to blow siren after the 12 minute mark of each quarter at the next break of play** when umpire blows whistle to allow a 2 minute break for players to take fluids and cool down

- A warning siren is blown after 1 minute and 30 seconds and a further siren after 1 minute and 45 seconds and play to recommence exactly 2 minutes after the break commenced

Play will recommence by throwing up the ball (or a boundary throw in) in the same vicinity where it ceased at the onset of the break

During the 2 minute break coaches are not allowed to address players although the runner may be used in normal practice

** Break of play has been defined as a ball up or a boundary throw in

PLAYER EXPULSIONS

A Club expelling any Player from its ranks, shall forward within one week of such expulsion the name of such player together with particulars of the offence for which he was expelled, to the Secretary BLGFA.

PROTEST OR DISPUTES

Except as provided otherwise, protest or disputes, arising out of any Association match, must be made in writing by the Secretary of the Club concerned to the Secretary BLGFA, not later than three clear days following the match in which such incident occurs. Such protest or dispute shall be accompanied by a fee of one hundred dollars (\$100.00).

JUNIOR COACHES AND OFFICIALS

In your capacity as an official, you are in a position to help mould young players' character, and therefore your attitudes will have a profound effect on the players under your control. Players, especially the very young, are very impressionable, they tend to regard the actions of adults as being correct, and it is therefore extremely important that the examples set are beyond approach. One of the basic tools of learning is by example, and we all have a unique opportunity to foster this learning process in the area of sportsmanship.

Every opportunity should be taken to foster the spirit and aims of the Association. Little things like showing a friendly and courteous approach to the opposition, fostering a feeling of comradeship and team spirit within your group of players, and, emphasising the rules of fair play will go a long way towards creating a better environment in which the game can prosper.

If the emphasis is placed on 'win at all costs' by officials involved, this attitude will show on the field. Junior football, at least in the very young age groups, should be geared to ensuring all players involved receive a thorough grounding in the basic skills, and a 'fair go' on the field. The team wins, that should be regarded as an added bonus by all concerned.

The following points may provide food for thought, and the implementations of some or all may assist in a more positive approach to the game.

- Welcome your opposition - speak to opposition coach, officials and players and wish them a good game. It is a GAME not a BATTLEFIELD.
- Let your players see this display of sportsmanship - it will rub off.
- Treat your players as human beings, not objects to be abused and shouted at.
- Encourage your players to shake hands with the opposition.
- Refrain from voicing your frustrations, your attitude from the bench will influence your players on the field.
- Give encouragement not criticism, a person who is encouraged will strive for improvement, one who is continually criticised could well give up.
- Whether you win, lose or draw, enjoy the oppositions company after the game.

SANFL is committed to the safety and wellbeing of all children and young people participating in, officiating or associated in any way with football in South Australia. We support the rights of the child and will act at all times to ensure a child safe environment is maintained. We acknowledge the valuable contribution made by our staff, members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

- SANFL for the purpose of ensuring compliance with SA Legislation may request evidence of the above

Register your club with DHS

Clubs will need to [register](#) with DHS as an organisation to complete check verification processes.

1 INTRODUCTION

1.1 Background

This National Player and Official Deregistration policy (**Policy**) has been developed to provide a risk management framework and policy basis for community football administrators to recognise a duty of care with respect to Players and Officials who could pose an unacceptable risk to other Players and Officials.

It is imperative that all Leagues and State Bodies adopt this Policy to ensure that a consistent approach is applied to the Deregistration of Players and Officials.

1.2 Definitions

AFL Competition (or **AFL Competitions**) means one or both of the elite national men's or women's competitions (as the context dictates).

Club means an Australian football club fielding a team within a Competition conducted by a Football Body.

Competition means an Australian football competition (including AFL 9s and Masters competitions) conducted or administered by a Football Body, League or Football Body affiliate (e.g. Region Commission).

Competition Management Platform means PlayHQ or Footyweb (as applicable).

Deregistration means the withdrawal of a Player's permit to play or an Official's capacity to officiate in any Competition (otherwise referred to as a "Life Ban" on PlayHQ).

Football Body means a football body conducting a Competition, including the State Bodies, Leagues, and other unaffiliated football bodies, as the context dictates.

Footyweb means the AFL's online competition management system currently operated by SportsTG designed to assist Football Bodies with the management of their competitions and membership data.

League means an Australian football league or a Football Body who conducts or administers a Competition.

Official means without limitation coach, assistant coach, officer, trainer, water carrier, team manager, interchange steward, umpire, umpire escort, time keeper, scoreboard attendant, runner, employee or any other match official or person performing any duties (paid or unpaid) for or on behalf of a Club, League or Football Body at any Australian Football match.

Player means a player who participates in any Australian football match of a Competition.

PlayHQ means the AFL's online competition management system currently operated by PlayHQ designed to assist Football Bodies with the management of their competitions and membership data.

Reportable Offence means any reportable offence identified in the Laws of Australian Football, as amended from time to time.

State Body means the governing State and Territory Australian football bodies affiliated to the AFL as follows:

- (a) AFL (NSW/ACT) Commission Limited (ACN 086 839 385);

- (b) AFL QLD Limited (ABN 66 090 629 342);
- (c) AFL Northern Territory Limited (ACN 134 092 854);
- (d) Football Tasmania Limited (ACN 085 213 350);
- (e) Australian Football League (Victoria) (ACN 147 664 579);
- (f) South Australian National Football League Inc (ABN 59 518 757 737); and
- (g) West Australian Football Commission Inc (51 167 923 136).

Suspension means a period during which a Player or Official is not allowed to play or officiate in a match of Australian football incurred as a result of a Reportable Offence or Reportable Offences.

And other capitalised terms used in this Policy have the meaning given to them in the National Player Registration and Transfer Regulations.

1.3 Application

- (a) This Policy applies to all Football Bodies and their affiliated Leagues and Clubs and all Players and Officials.
- (b) Headings and indexes are only included for ease of reference and do not affect interpretation.

1.4 Variation

The AFL may from time to time, and in consultation with State Bodies where necessary, alter the procedures for Deregistration in its absolute discretion.

2. POLICY AIMS

The Policy aims to:

- (a) deregister a Player who is found guilty of a Reportable Offence(s) where such offence or offences cause the Suspension history of such Player to fall beyond an acceptable level for Australian football;
- (b) deregister an Official who is found guilty of a Reportable Offence(s) where such offence or offences are deemed to fall beyond an acceptable level for Australian football;
- (c) apply the Deregistration of a Player/Official to both roles so that a deregistered Player cannot officiate in any capacity and a deregistered Official cannot participate as a Player in any Competition;
- (d) prevent a Player from transferring between Leagues with the view to creating a “clean slate” with the new League. The Suspension history shall follow the Player to allow the new League to make an informed judgement regarding registration taking into account past and current Suspensions.

3. DEREGISTRATION PROCEDURES

3.1 General

- (a) The complete on-field and off-field disciplinary history of a Player is to be forwarded to the new League from the previous League upon a Player being cleared from one League to another (as per

the National Player Registration & Transfer Regulations, as amended from time to time). For the avoidance of doubt, **all sanctions** determined by a League or State Body (as a result of a tribunal, investigation, appeal or similar process) shall be forwarded to the new League for their records together with the clearance / transfer details, however **only Suspensions** imposed as a result of Reportable Offences under the Laws of Australian Football are relevant to Deregistration pursuant to this Policy.

- (b) The full Suspension history of a Player (including tribunal record at all previous League/s) shall be considered when determining penalties for Reportable Offences in the assessment of a Suspension. However, in determining a Suspension, the appointed tribunal body or nominated decision maker should not have regard to the effect of the Suspension on Deregistration. In other words, each Reportable Offence should be determined on its merits.
- (c) A League that suspects that an Official may have a Suspension history is to seek information from the Official's previous League/s.
- (d) Club imposed penalties will not be considered on the permanent record for a Player or Official.
- (e) Information regarding suspended sentences will be transferred between Leagues and Leagues will only consider such sentences relevant to calculating the combined Suspension for Deregistration if and when the Suspension from such suspended sentence is served.
- (f) For the avoidance of doubt and unless otherwise agreed by the relevant State Body:
 - i) if a Player is deregistered pursuant to this Policy, that Player will also be prohibited from acting as an Official in relation to a Competition; and
 - ii) if an Official is deregistered pursuant to this Policy, that Official will also be prohibited from participating as a Player in any Competition.

3.2 Deregistration Process

3.2.1 Notification

(a) Leagues

- i) Leagues must advise all Clubs of the details of the Policy and make the Policy readily available to their Clubs, Players and Officials.
- ii) All Players, upon registering to play for a Club, do so on the basis that their previous Suspensions count towards their Suspension history for the purposes of this Policy regardless of when they may have been incurred.
- iii) Subject to 3.2.1(a)(iv), once a Player/Official has accumulated a Suspension history of ten (10) matches or more, the League must advise the Player/Official and their Club in writing that the Player/Official faces the risk of Deregistration should the Player/Official incur further Suspension(s) that results in him/her reaching or exceeding the sixteen (16) match total Suspension history (**Suspension Notice**).
- iv) Subject to 3.2.2(d), a Player/Official will be automatically Deregistered in accordance with section 3.2.2 if Player/Official has served sixteen (16) matches (or more) total Suspension. In circumstances where before commencing the current Suspension the Player/Official had not already accumulated ten (10) matches (or more) Suspension history, Player/Official does not need to receive a Suspension Notice under section 3.2.1(a)(iii).

- v) Notification of Deregistration shall be made in writing to the Player/Official and their Club.
- vi) State Bodies shall be notified in writing of all decisions to deregister a Player/Official, by the Player's/Official's Club or League. A central database of all deregistered Players/Officials will be maintained by the AFL and all State Bodies via the Competition Management Platform.
- vii) Should a Player/Official's Suspension history already have reached or exceeded a combined total of sixteen (16) matches Suspension at the time of implementing this Policy, the League is to formally advise the Player/Official and the Player's/Official's club that the Player/Official faces Deregistration should the Player/Official incur another Suspension.

(b) Clubs

- i) Clubs must advise all of their Players/Officials in relation to this Policy.
- ii) Clubs must at all times strive to ensure their Players and Officials do not get themselves into a position of potentially being deregistered. Anger management training is seen as a critical component of this prevention for Clubs to arrange and implement.
- iii) Clubs must use all best endeavours to inform their Player/Official of any notification provided by the League pursuant to section 3.2.1(a) and must promptly confirm and acknowledge to the League the steps taken by the Club to ensure that the Player/Official has received the notification.

(c) Commencement of Deregistration

- i) For the avoidance of doubt, Deregistration will commence on the date on which the most recent Suspension of the Player/Official (being the Suspension which resulted in that Player/Official reaching or exceeding the total of sixteen (16) weeks Suspension) ends.
- ii) For clarity, the Player/Official will be deregistered in the Competition Management Platform (as distinct from Deregistration as defined in this Policy) at the time that the Player/Official receives a sanction which results in that Player/Official meeting the criteria for deregistration outlined in section 3.2.2.

3.2.2 Criteria for Deregistration

(a) Players

- i) Players shall be automatically deregistered and not allowed further registration with the same or another Club or League (except in accordance with section 3.3) if the Player has **served a combined total of sixteen (16) matches Suspension (or greater) as a Player or Official** (including as a Player during the Player's AFL Competition career, subject to section 3.2.2(c) below) as a result of Reportable Offences only. For the avoidance of doubt, a Player who is deregistered will also not be allowed to act as an Official in the same or another League or in any Competition.
- ii) For the avoidance of doubt:
 - a. the sixteen (16) matches served Suspension must relate to Suspensions imposed as a result of Reportable Offences under the Laws of Australian Football; and

- b. match ineligibility or sanctions received by a Player in relation to breaches of the AFL Anti-Doping Code (as amended from time to time), a code of conduct or any other regulation or policy which are not as a result of Reportable Offences under the Laws of Australian Football will not be counted in determining accumulated Suspensions under this Policy; and
- c. only Suspension periods relating to Reportable Offences committed by a Player after attaining the age of 16 years will count for the purposes of this Policy.

(b) Officials

Officials shall be deregistered and not allowed to officiate or play in any form in the same or another League or Competition if they have served a combined total of sixteen (16) matches Suspension (or greater) as a Player or Official throughout their whole Australian football career (i.e. not limited to age of the Official at the time of a Suspension).

(c) AFL Competition Career

i) Any Suspension period served by a Player during their AFL Competition career shall carry over to non-AFL Competitions. However, any such Suspension period shall be reduced by 25% for the purposes of this Policy (to the decimal point). For example, if a Player receives a total Suspension of six (6) matches whilst playing in the AFL Competition, only four and one half (4.5) matches shall carry over for the purposes of this Policy. For the avoidance of doubt, the 25% discount does not apply where an AFL Competition Player receives a Suspension for an incident while playing outside of the AFL Competition.

ii) If:

- a. a Player who has ceased being a registered Player in the AFL Competition would have been deemed to have served a combined total of **less than** sixteen (16) matches Suspension based on the old 50% discount afforded to AFL Players in section 3.2.2(c)(i) of this Policy; and
- b. due to the change in the applicable discount from 50% to 25% applicable from the 2018 season that Player, as a result of the change, is now deemed to have served a combined total of **more than** sixteen (16) matches Suspension,

then that Player will, from the commencement of the 2018 season, be deemed to have carried over a total Suspension period of fifteen (15) matches from their AFL Competition career provided that:

- c. the Player commenced playing in a non-AFL Competition before or in the 2017 season; and
- d. has continued to play in a non-AFL Competition each season thereafter.

(d) First Offence

Should a Player or Official receive sixteen (16) matches or more Suspension as a “first offence” it shall be at the State Body’s discretion (in consultation with the relevant League) as to whether or not that Player/Official will be deregistered following his/her Suspension.

3.3 Application for Re-registration

- (a) Subject to 3.3(e), a Player/Official who has been deregistered in accordance with section 3.2 may (subject to section 3.3(f)) apply for re-registration not less than 12 calendar months after the date on which their Deregistration commenced (such date being determined in accordance with section 3.2.1(c)i).
- (b) Subject to sections 3.3(a) and 3.3(f), a deregistered Player/Official can apply for re-registration by making a written application to the relevant State Body in accordance with section 3.3(c) (**Re-Registration Hearing**).
- (c) Subject to the following requirements, the State Body to which the League where the de-registered Player/Official is applying for re-registration is affiliated will hear the Re-Registration Hearing in accordance with the State Body's rules, regulations, by-laws and/or guidelines regulating tribunal and appeals procedures:
 - i) A Re-Registration Hearing will be heard at a time and place to be determined by the State Body;
 - ii) A panel comprising three (3) independent panel members (including one chairperson) will preside over the Re-Registration Hearing;
 - iii) The Player/Official, former and proposed Club(s), relevant League(s) and State Body(s) have the right to make submissions to the Re-Registration Hearing panel;
 - iv) The Re-Registration Hearing panel must not approve a Player's re-registration unless the panel is reasonably satisfied that:
 - 1. the Player or Official is genuinely rehabilitated or committed to ongoing rehabilitation; and
 - 2. the Player or Official is unlikely to re-offend; and
 - 3. the Player or Official does not pose an unacceptable risk to other Players/Officials; and
 - 4. any other exceptional circumstances as determined by the panel in its absolute discretion;
 - v) The Re-Registration Hearing panel cannot allow conditional re-registration (for example re-registration as a particular kind of Official).
- (d) The Re-Registration Hearing panel may regulate the proceedings before it as it deems fit and, to the extent permitted by law, the decision of the panel shall be final and binding on all parties.
- (e) A Player or Official may only submit one (1) Re-Registration Hearing application to the applicable State Body in accordance with section 3.3(c) in any one Australian football year.
- (f) If an applicable State Body considers that exceptional circumstances exist which may reasonably justify them to hear an application for re-registration of a particular Player or Official before the end of the 12-month deregistration period the applicable State Body may waive a portion of the 12-month deregistration period and conduct a Re-Registration Hearing for that particular Player or Official prior to the end of the 12-month deregistration period subject to obtaining the approval of the AFL General Counsel (such approval to be provided in that person's absolute discretion and not subject to appeal).
- (g) For the avoidance of doubt:

- i) the Re-Registration Hearing under this section 3.3 is an application for re-registration only and is not a review or appeal of previous suspensions. Any disputes relating to a Player/Official's previous suspensions must be dealt with in accordance with the rules, regulations, by-laws and/or guidelines regulating tribunal and appeals procedures of the State Body where the suspensions were imposed;
- ii) because deregistration occurs automatically (as set out in section 3.2.2), there is no review or appeal process for deregistration under this policy. The appropriate appeal avenue for a Player/Official who has been automatically deregistered is as set out in section 3.3(g)(i);
- iii) a deregistered Player or Official cannot participate in a Competition as a Player or as an Official unless he/she is re-registered following a successful Re-Registration Hearing in accordance with this section 3.3;
- iv) if a Player or Official is re-registered in accordance with this section 3.3, and subsequently receives a Suspension as a result of a Reportable Offence, that Player or Official will be permanently deregistered and forever prohibited from participating in any Competition as a Player or Official with no further right of appeal or right to apply for re-registration; and
- v) If a Player/Official is de-registered in accordance with this Policy then the Player/Official is de-registered from all AFL-or Football Body-sanctioned Competitions.

DUAL REGISTRATION POLICY

The Barossa, Light and Gawler Football Association (BL&GFA) recognises the importance of preserving the integrity of the junior football competition in the League, and allowing every child in our community that wishes to participate in the game of football, the opportunity to do so.

With some clubs experiencing excess numbers in junior grades the BL&GFA recognizes there may be a need for junior players to have the capability to play at another Club or in another League, to ensure that they do not miss out on an opportunity to play regular games.

With some conditions, the BL&GFA have adopted the SA Community Football League regulation **17.8** which allows junior players under the age of 15 yrs to play with two Clubs.

The regulation states: ***17.8 (a) Subject to Regulation 17.8 (b), a player may be registered to play football with only one Affiliated League Club at any one time, unless the player is under the age of fifteen (15) years on January 1st in the current year. The player may dual register with a second club in a different Affiliated League via a type two (2) permit on PlayHQ, with the approval of both Leagues.***

- e) By playing for another Club, the player does not cause any other available player from being displaced from the recipient Club;
- f) The names of the players playing under a dual registration will be clearly marked on the team sheet of the applicant club.
- g) Dual registered players are ineligible for medal votes for the other League.

If a breach of this policy is identified, the BL&GFA may rescind the Club's right to Dual Registration and fine the offending BL&GFA Club a maximum of \$250. If the breach is of regulation **17.8** of the SA Community Football League Inc. regulations, the issue will be brought to the attention of that body.
